Department of Energy
Washington, DC 20585

MAY 2 2 2001

SAMPLE LETTER

In accordance with Article I.13 (k) of the Standard Contract for Disposal of Spent Nuclear Fuel and/or High-Level Radioactive Waste, the Department of Energy has evaluated the National average Adjustment Factor (NAF). Based on the results of this evaluation, the NAF will remain unchanged at 0.950.

A generic version of this letter, along with all future regular correspondence, can be found on the Office of Civilian Radioactive Waste Management's website, www.rw.doe.gov, under the Waste Acceptance and Trans icon.

If you have any questions on this matter, please contact Mr. David Zabransky on (202) 586-9198.

Sincerely,
