It's Great To See that The Radioactive waste will Be Going By Rail. IF we Have To Have Yucca Mtn. Jammed Down OUR THROATS, (we DID.... I UNDERSTAND) Rail Transport is the safest I feel From The previous E.I.S.'s I've Read learned much on the Yucca Mtn Tour.

Please Send a copy of the Final E.I.S. AND any other INFO TO me Please at The P.O. Box above
