20 I'm a Las Vegas resident. I just wanted to
21 say that I'm opposed to the slipslod manner by which
22 the site selection was made, the process for certifying
23 it for licensing has been conducted. I feel that my
24 rights as an American citizen have been violated and
25 taken away because I don't think that I'm getting a

1 fair chance for my opinion to be heard in this matter
2 and that I think that the DOE is going about this
3 process all wrong because they started with a
4 conclusion and they're doing everything that they can
5 to make it fit the, the facts fit the conclusion that
6 they already have selected. So that's my statement.
7 Thanks again.
