COMMENTS:

Boyds Construction is located in Tonopah NV. We have a water well with permit and aggregate material eight miles north of Tonopah. Water permit is for 108.75 acre ft per year. We have a 15hp gould submergible 300 gpm pump. Voltage 440-22amps. Can be operated by generater. Water Permit #64331 Industrial well. We have a road permit under NAC 408,402 Section 2 through BLM. Approximatly five miles to HWY 376 and an additional five miles to HWY 6.

Please note: Your comment(s) must be received by the Department of Energy by June 1, 2004 to be considered. Comments received after the close of the comment period will be considered to the extent practicable.

If you prefer to mail your comments, you may use the back side of this sheet as a postage-paid, self-mailer. To do so, fold in thirds along the dotted line so the address and postage-paid notice are visible, then secure with tape.

Please feel free to attach additional pages (if mailing, more postage may be needed).
