To: The Secretary
Subject: Concerning Yucca Mtn.

03

1 [Hi. Since I can not attend the public hearing about the proposed nuclear waste site at Yucca Mountain, I just would like to voice my opinion. I am a Las Vegas resident but even if I were not, I would be against it. It is just a Band-aid on a problem which needs a real solution. More money needs to go into recycling of nuclear waste and safer energy alternatives. Rebecca Garry Las Vegas, NV]
