1 [ --> As a resident of Las Vegas, Nev., I would ask that you Not  
continue with your plans to use Yucca Mountain for a dumping  
site, that will eventually effect all of our lives here..  
When I moved here, I never dreamed that My Government, would  
place such a harmful site, at my back door....Why should the  
residents of this State, be responsible for the all of the  
other States Waste????...and look at all of the hazzards of  
moving such toxic material through the States...It is a Disastor, waiting to  
happen....WE will be our own terrorists. ]
